LETTER FROM
THE BOARD

In 2018, Swiftsure continued to grow, both physically and as an organization. Completing the enclosure of the large arena allows us to offer expanded capacity and the flexibility to accept more riders. We are grateful for the ability to conduct lessons safely inside with consistency and comfort. It has made a profound impact on our riders, horses and instructors.

Our organization has evolved significantly over the past several years. One of our goals in 2018 was to update our reporting structure and attendant job descriptions to match that evolution. We are excited that the resulting clarity is providing opportunities for growth and personal development throughout the entire organization.

The focus for 2019 is to strengthen partnerships and relationships with key stakeholders, including other organizations in the Valley, our volunteers, riders and donors. We strive to increase public awareness of our mission, programs and impact. The collaboration, commitment and passion of all those who interact with Swiftsure make it possible to make a difference in so many ways. Please read on to learn about the inspiring examples of Horses Power at Swiftsure, which would not be possible without you!

This is all a result of the support of our generous donors. We applaud all the individuals and businesses, both big and small, who make these amazing opportunities possible. As our staff, volunteers and participants continue their journeys of discovery and accomplishment, we know it is because of your support, encouragement and heartfelt belief in our efforts. **THANK YOU!**

“Through my work at Swiftsure, I’ve met people from all walks of life; each of them has a story or experience that has enriched my own, one way or another. Our volunteers are amazing and probably the most colorful bunch. Our riders, from the youngest kids to the adults, are courageous and inspiring. Our instructors are dedicated and creative and demonstrate every day how much they care about our programs and our community.”

— Mimi Crocker, Therapeutic Riding Instructor
